New 4 Oneworld Board Member

4 Oneworld is thrilled with the addition of a new board member, Dr. Celeste Shelton-Harris

Dr. Shelton-Harris is the principal of Portage North Middle School. 4 Oneworld Vice-President, Mimi Nevala enjoyed working with Dr. Shelton-Harris during her years of teaching with Portage Schools. Mimi was impressed with her ideas and professionalism, so suggested her as a board member.

Dr. Shelton-Harris's experience in education and her close connection to local students will provide valuable insight for 4 Oneworld.

4 Oneworld is honored to have Dr. Shelton-Harris as part of the family. Celeste joined the board in late January and will serve through December 2008.

The computer literacy program is off to a great start in 2008.

Denis Mwa, the computer teacher, is quite busy with teaching classes, acting as the network administrator and monitoring open lab hours for both teachers and students.

The St. Kizito Board of Governors has agreed to hire an assistant for Denis. The Board, the administration and Denis have advertised the position and expect to be doing interviews in the near future.

The school year at St. Kizito follows a calendar year with the first semester beginning in late January going through April.

They take 4 weeks off and return in late May. The second semester is May through mid August. Then there is a break until September.

The third semester ends in early December. The school then closes for the longest break, not returning until late January. The government of Uganda mandates the school schedule throughout the country.

Educate. Inspire. Empower.

4 Oneworld President, Adam Stubbs

visited a Loy Norrix High School

History class earlier this month.

He was there to talk to the students about what life is like for young people in Uganda.

The students were impressed by the mission

of 4 Oneworld and they are currently

planning events to further increase awareness of 4 Oneworld at Loy Norrix.
