4 Oneworld Reaches Goal!

St. Kizito Computer Literacy 2006-2010

The Yoga Aid Challenge Hong Kong, held in early July raised over \$15,000 for 4 Oneworld. This pushed 4 Oneworld to exceed the goal of \$70,000 for computer literacy through 2010 at the St. Kizito Secondary School in Uganda. As of July 30, 2008 4 Oneworld has received over **\$82,000** in contributions!

Thank you Yoga Aid Challengers across the world!

Thank you to everyone for your support, allowing 4 Oneworld to provide **5 years of computer literacy** at St. Kizito. Your generosity is educating, inspiring and empowering disadvantaged children.

A special **Thank you** to Clive Mayhew, Eriko Kinoshita and Mayumi Staley for your love, kindness and life changing contributions. You make the world a better place.

Thank you to all of the 4 Oneworld volunteers who have contributed their time to help change the world!

With Love and Gratitude,
Tara McKinney & the 4 Oneworld Family
