Yoga Aid Hong Kong to benefit 4 Oneworld

Yoga Aid founders, Clive Mayhew and Eriko Kinoshita, have kindly chosen **4 Oneworld** as one of the charity recipients of the first Yoga Aid Challenge to be held in Hong Kong. It will take place on July 4th with more than 1,000 expected participants.

Some of the world's leading Yoga teachers will be joining together to lead this unique Yoga experience.

Participants will attempt 108 sun salutations in a 2 hour time period to benefit the charity of their choice. As one of the charity recipients, we are hoping that this event will allow **4 Oneworld** to reach its goal of \$70,000 to provide computer literacy at St. Kizito through 2010. The final total will be announced in July, so stay tuned.

Local teacher is making a difference at St. Kizito

After learning of the **4 Oneworld** initiative at St. Kizito, Niki Mallard, a local 1st grade teacher, wanted to volunteer her time at St. Kizito. She has been there since mid-June and will return to Portage in early July.

Read her words below and learn about her wish to make a difference in the world.

“My teaching experiences have opened my eyes to the crucial role an education plays in the future of our children. For me, teaching is not just a job, it’s a privilege. So, this summer I will be setting off on a journey of a lifetime to St. Kizito Secondary School in Uganda, Africa. This experience will be a tiny way of showing my support both to the children, who are working so hard to receive an education, and to the teachers who are providing that education for them. It will also give me an opportunity to pass on some of the knowledge that I’ve received through my education. I hope to be able to show the children that being educated will give them the chance to make a difference in their community, their country and the world. I’m proud that I’m able to play a part in the education of the children at St. Kizito.”

THANK YOU, NIKI
